## THE CANDLE RITUAL

At Sofitel hotels & resorts around the world we pay tribute to the candle ritual for our guests to enjoy. The candle ritual is inspired from the age old custom of lighting the streets of Paris during the reign of King Louis XIV.

Paris was the first city in the world to light the streets at night to allow Parisians to freely enjoy the evenings, hence the name "City of Lights".

Every evening at approximately 6p.m. we welcome our guests in the lobby to join us during this magnifique ritual.

6 p.m. to 8 p.m.

## CIGARS & CIGARETTES MENU

*"There's something about having a great bottle of wine and a great cigar. Nothing compares to it."*

*D.K. Hughley*

Cigars are prized around the world for their complex and rich flavor and they have been enjoyed since the early 10th century.

Cigars have a long and interesting history.

They have been around for well over a thousand years, although not in their present form.

We define a cigar as a tightly-rolled bundle of dried and fermented tobacco leaf, rolled in a series of types and sizes.

Believed to have been invented by the ancient Mayans, who wrapped the tobacco in either palm or plantain leaves.
